

Warranty Certificate

Customer's Name

Congratulations for choosing Carpet Crafts LLC to manufacture the carpets for

Project _____

Address _____

Order No. _____ Dated _____

We are glad to offer you a ___ Years limited Warranty under below mentioned conditions.

If the carpet wears out more then 30% in ___ year period from the date of purchase, it is the company's responsibility to replace the portion of the carpet worn out. Carpets installed on stairs are not covered by this warranty. Also this warranty is not binding against cuts, tears, burns, crushing, stains, odour, pulls, matting, soiling, damage due to floor installation, improper use/installation and damage due to non protection, by walk off mats or roller coaster chair pads and cleaning by corrosive chemicals.

Product specification are derived from average resulting from normal manufacturing tolerance in yarn, temperature, humidity and colour and may vary within normal industry tolerances. Performance is not affected by such variances.

As in all quality carpets, colour are subject to dye lot variations. Shading is a result of pile direction change often reffered to as water marking. This is an inherent characteristic and therefore does not constitute a manufacturing defect.

All seams must be sealed with an appropriate seam sealer to prevent edge fray, Yarn raveling and general deterioration at the seems.

Warranty does not cover damage by installation material i.e. underlay, grippers, profile, adhesive and mishandling.
